Dear all at Proventure,

We are writing to say a huge thank you to everyone at Proventure for your generous donation of £125 to Manchester Central Foodbank. This donation will go a long way to supporting the work that we do at the foodbank, and will ensure that we can continue to provide support for those who need it in our local community.

The winter time is always a challenging time for our foodbank and especially for those relying on our service; however, we are always proud to see the incredible generosity of those individuals who provide support through donations such as this.

Your donation will mean that we are able to provide ongoing support to those in crisis living in the Manchester Central area. Your support ensures that we can continue to provide full, balanced and nutritious food parcels to individuals and families living in the central Manchester area during their time of need.

As demand increases for our services, we couldn't continue our work without the support of yourselves. So far this year we have given out over 1,300 food parcels, providing food for over 2,500 people, of whom over 800 were children.

Many thanks for your support to our ongoing work,

Amy Archie
