

## **Manchester City Council**

### **Deputy City Treasurer SS4 (£98,592 - £108,853) Corporate Services Directorate**

#### **Person Specification: Qualifications and Experience**

For the purpose of applying for this role, in your written person specification response please only address the Nine qualification and experience items outlined below. Candidates will be assessed to see how they meet the Skills, Competencies and technical requirements outlined in the Role Profile at longlist interview and in any further assessments. The successful candidate will have to meet the requirements outlined in the Role Profile. For further guidance on completing your application please see the [“How to apply”](#) instructions on the recruitment website.

#### **Qualifications**

1. A qualified member of a specified accountancy body (CCAB or CIMA) sufficient to act as the s.151 officer.

#### **Experience**

2. Significant successful leadership experience of a comparable service at a senior level in or closely with local government, including implementing strategies leading to successful business outcomes.
3. A proven track record of successful senior management of diverse professional teams including the achievement of performance targets, improvements and corporate objectives in a complex environment.
4. Significant successful experience of strategic financial planning, developing and overseeing relevant large complex budgets, including pooled resources and diverse revenues, and ensuring compliance with statutory requirements.
5. Extensive successful experience of exercising sound judgement and providing clear advice in a political environment at cabinet or equivalent level.
6. Experience of successful leadership and support of large-scale corporate and service change to meet organisational, customer and community needs while providing value for money, maintaining quality and developing a positive culture.
7. Successful experience of working in a multi-agency environment having developed high quality collaborative internal and external relationships across diverse stakeholders to deliver organisational objectives.
8. Evidence of leading, shaping and influencing innovative and commercially astute practice, harnessing research, analytics and intelligence to maximise opportunities while realising efficiencies.
